## Information Resignation from the Law Society of Yukon

If, at any time during the year and in particular during annual membership renewal, you wish to resign or do not wish to renew your membership you may submit an Application to Resign (Form 40).

If you wish to resign prior to the membership renewal deadline, in order to give the Executive time to consider your application, please ensure that your application is submitted well in advance of January 31<sup>st</sup>. Please note that members who formally resign (as opposed to those who are suspended) will not be required to pay back fees if at any point in time they apply for reinstatement.

If you do not wish to renew your membership, and you do not intend to formally resign, your membership will be automatically suspended at January 31<sup>st</sup>. There are financial consequences to being suspended. If a member is suspended, upon application for reinstatement there is the requirement to pay the annual membership fees which would have been due for each year or part thereof during the period of suspension.

Please note all the resignation requirements are outlined in Section 23 of the *Legal Profession Act*.
