

Find a Lawyer by Area of Practice

The Law Society of Yukon [LSY] frequently receives requests from members of the public looking for legal assistance in a particular practice area.

On a voluntary basis, lawyers who are licensed to practice law in the Yukon have been provided with the opportunity to identify the areas of law in which they practice and whether they offer their services in languages other than English.

NOTE: By posting the information gathered from its members, the LSY in no way recommends or endorses the lawyers on the list. Please note that the list is not inclusive of all lawyers who are licensed to practice law in the Yukon.
